RONAK BISHT

GRAPHIC DESIGNER & VIDEO EDITOR

ronakbisht84@gmail.com | +91-9354900804 | Delhi, India | Portfolio

PROFESSIONAL SUMMARY

Graphic Designer & Video Editor with 4+ years of experience creating engaging visual content, social media creatives, digital and print assets, thumbnails, and video content. Experienced across freelance, agency, and in-house environments, with a strong focus on visual storytelling, branding, content creation, and creative production.

PROFESSIONAL EXPERIENCE

Graphic Designer & Video Editor — The Night Marketer

August 2025 – Present | On-site

- Create and edit short-form and long-form video content for social media, digital campaigns, and brand communication.
- Design social media creatives, campaign visuals, thumbnails, promotional assets, and other digital content based on client and brand requirements.
- Edit videos using Adobe Premiere Pro and After Effects, including motion graphics, transitions, captions, sound design, and visual effects.
- Develop creative concepts and turn briefs into polished, engaging visual content.
- Collaborate with the creative team to deliver high-quality design and video content while maintaining consistent visual identity across projects.

Freelance Graphic Designer & Video Editor

February 2025 – August 2025 | Remote

- Worked on freelance design and video-editing projects for clients and content creators across different creative requirements.
- Created Instagram Reels, social media creatives, thumbnails, and digital assets tailored to different audiences and content styles.
- Managed projects from concept development through final delivery while adapting to client feedback and brand guidelines.
- Explored different editing styles, visual concepts, and creative approaches to create engaging content.

Graphic Designer Intern — Veda Connection

September 2024 – February 2025 | Remote

- Designed social media creatives and edited short-form video content while collaborating with a cross-functional team to support product-based clients.
- Created marketing visuals using Adobe Creative Suite and Clip Studio Paint for digital campaigns.
- Designed product-focused website imagery, packaging, print catalogs, and Instagram Story creatives.
- Delivered creative solutions across digital and print platforms while maintaining brand consistency and meeting deadlines.

Freelance Graphic Designer

March 2022 – August 2024 | Remote

- Designed YouTube thumbnails for content creators across different niches, adapting visual concepts to their audiences and channel styles.
- Worked on freelance design projects from concept to final delivery while aligning designs with client goals and brand identity.
- Created fan-art posters and personal design projects to explore different visual styles and strengthen creative versatility.
- Built a strong foundation in graphic design, visual composition, typography, and digital content creation through diverse projects.
